

# QUICK START GUIDE - THIEME MEDONE EDUCATION

## BOOKS

The screenshot displays the Thieme MedOne Education interface. At the top, there is a navigation bar with 'Home', 'My MedOne', and a search bar. Below this, a search bar is visible with a red circle '1' next to it. The main content area shows the book 'Basic Otorhinolaryngology: A Step-by-Step Learning Guide' by Rudolf Probst, Gerhard Grevers, and Heinrich Iro. The current page is '1.1 Basic Anatomy of the Nose, Paranasal Sinuses, and Face'. A search bar within the book is highlighted with a red circle '3'. The page content includes a 'Quick access' section, a paragraph about the shape and appearance of the external nose, and a section on 'Facial Skin and Soft Tissues' with an illustration of skin tension lines and aesthetic units. A sidebar on the right shows 'RELATED CONTENT' with links to 'The Spine', 'Articulatory Techniques', 'Topography of Peripheral Nerves and Vessels', 'Appendix', 'Somatic Dysfunction Diagnosis', and '3 The Neurologic Examination'. Red circles '2', '4', and '5' highlight the PDF icon, the 'Content' tab, and the 'Hits' tab respectively. A red circle '6' highlights the 'RELATED CONTENT' sidebar.

1. Search the platform
2. View or print pdf chapters
3. Search within book
4. All images from within the book available separately, for download
5. Search Results for easy reference
6. Linked reference content

# MEDIA

1. Click the media repository
2. Click Audio/Video/Image tab
3. Choose media type
4. Filter for your desired results

## SIGNING UP FOR ACCESS FROM HOME

1. On the MedOne site, create your own account, making sure you are on the institution's (school, hospital, library, etc) network
2. Now you can login from anywhere

## THE APP

1. Find the MedOne on either iTunes (iOS) or the Playstore (Android)
2. Install on your device and sign in with your MedOne user account
3. Download and read your MedOne titles
