

Free full-text content indexed in GeoRef

GeoRef on OvidSP indexes many journals that offer free access to full-text articles. Some journals are completely free and others offer part of their archives as free full text. Links from GeoRef on OvidSP to these journals are available as part of your database subscription!

GeoRef on OvidSP offers you seamless linking to these free full-text articles hosted by providers like HighWire, PubMed Central, DOAJ and J-STAGE. Simply click on the Full Text link offered with the results returned by OvidSP. Below is a list of the journals with the most articles indexed in the database.

To ensure your access to the Free Full Text is enabled, contact your Ovid representative or support@ovid.com.
