

GeoScienceWorld

Overview

“GeoScienceWorld has grown from a single source of journals from major geoscience societies with a GeoRef search interface to a full-fledged geoscience resource of journals and e-books from both large and small geoscience societies.

GeoRef knits the parts together so that users can focus their searches on geoscience information. Other databases of scientific literature do not have both the same breadth and focus.”

Michael M. Noga, MIT Libraries

28 PUBLISHERS 46 JOURNALS 157,000 ARTICLES

1,972 eBOOKS — now including GSA's Special Papers and Memoirs Series

3.9+ MILLION GEOREF RECORDS

GeoScienceWorld is your single source for geoscience content.

Now providing scholars and professionals with a newly upgraded, fully-integrated, innovative platform allowing seamless access across all GSW products and services.

BENEFITS AND FEATURES

INNOVATIVE SPLIT SCREEN DISPLAY

Allows users to scroll the journal article and the article figures simultaneously

FACETED SEARCHING

Added facets for journal, article type, and GeoRef keywords

MAP VIEW SEARCH RESULTS USING OPENGEOSCI

Search results appear on the map for geographic reference

FIGURE ABSTRACT VIEW IN SEARCH RESULTS

Thumbnails appear in search results so users can scan for relevant content

RE-CONCEPTUALIZED TREATMENT OF GEOREF THESAURUS KEYWORDS

Allows for better surfacing of related content

FULLY RESPONSIVE WEBSITE

Adapts to the device of the user GeoScienceWorld Publishers
