

Accessing CABI content using voucher verification

1. From the CABI platform page (this example uses CAB Direct, but the process will be similar for other CABI platforms) start by clicking the 'Login' button at the top right of the page.

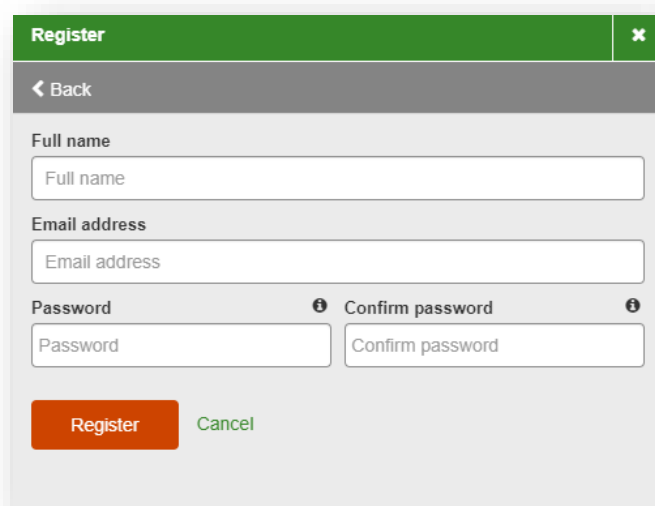

2. You will be prompted to log in or register for a new account. Click 'Register'.

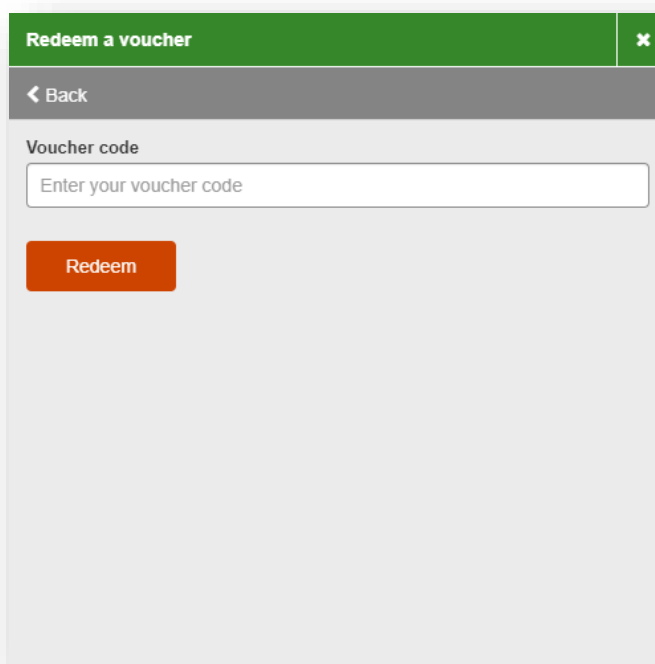

The screenshot shows a "Manage Access" dialog box. It has a title bar with "Manage Access" and a close button. The main content area is titled "Log in via email/username". It contains two input fields: "Email or username" and "Password". Below the "Password" field is a link for "Forgot password?". At the bottom of the dialog, there are two buttons: "Log in" and "Register". The "Register" button is highlighted with a red box. Below the buttons, there is a link for "Redeem a voucher" and a link for "Log in via your institution".

3. Fill in your credentials and choose a password.

The image shows a mobile application screen titled "Register". At the top left is a back arrow and the word "Back". Below this are four input fields: "Full name", "Email address", "Password", and "Confirm password". Each field has a placeholder text matching its label. To the right of the "Password" and "Confirm password" labels are information icons. At the bottom of the form are two buttons: "Register" (orange) and "Cancel" (green).

4. You will then be prompted to redeem your voucher. Copy the code into the box and click 'Redeem'.

The image shows a mobile application screen titled "Redeem a voucher". At the top left is a back arrow and the word "Back". Below this is a single input field labeled "Voucher code" with the placeholder text "Enter your voucher code". At the bottom of the form is a single orange button labeled "Redeem".

5. You should now be signed into the CABI platform with access to the relevant content.
