

# ProQuest ONE LITERATURE

## Do You Use Literature Online?

### Five Reasons to Upgrade to ProQuest One Literature

# #1

#### Twice the Content

**ProQuest One Literature** doubles the size of Literature Online with content that serves user needs across the research, teaching and learning spectrum.

- The breadth of content simplifies access to literature resources and provides a return on investment for library budgets.
- More than 500,000 primary texts, with more than 150,000 titles from diverse and lesser-known authors, extends the scope of research beyond the Western literary canon.
- Varied content types—including video and expanded criticism—offer a larger body of relevant content for literature users.

# #2

#### More Diverse Authors and Works

**ProQuest One Literature** serves the growing number of scholars and students who seek a global, diverse representation.

- Alexander Street and Chadwyk-Healey collections add depth and diversity to research and study with collections such as African American Poetry, African Writer Series, Canadian Poetry and Latin American Women Writers, among many others.
- Non-English language collections—such as Teatro Español del Siglo de Oro, Brechts Werke and Digitale Bibliothek Deutscher Klassiker—offer access to important German and Spanish literature.

# #3

## Multi-Format Varied Content: Video, Dissertations and More

Primary texts, full-text journals, historic literary criticism, videos, dissertations and ebooks help researchers and students fully explore the breadth of literary content.

- More than 1,300 videos help bring literature to life by demonstrating interpretations of works.
- Over 30,000 dissertations offer academically reviewed scholarly thinking and extensive bibliographies.
- More than 20,000 ebooks provide in-depth critical analysis of primary works, author biographies and reference.

# #4

## Expanded Criticism

**ProQuest One Literature** includes twice the criticism as Literature Online – offering scholars and faculty the context they need for deep research, comparative perspectives and course planning.

- Over 1,200 journals, bulletins, reviews and interdisciplinary publications offer contemporary criticism.
- More than 20,000 sources of historic literary criticism covers 17th through 21st century authors.
- Full-text book reviews from *The Guardian*, *The New York Times*, and *The Washington Post*.
- Access to the renowned ABELL index provides 1.1 million bibliographic citations for literary criticism.

# #5

## A Literature-Specific User Experience

**ProQuest One Literature** continues Literature Online's legacy of intuitive navigation and curated pages allowing for a seamless transition for Literature Online users.

- Literature-specific indexing brings disparate formats and literary content together and helps make connections across varied content types.
- Segmented search results help users survey the scope and size of the body of literature, criticism and other materials related to their research question.
- Robust **author**, **literary movement** and **works pages** help contextualize a movement or work, providing a foundation for course lectures and serving as a starting point for students.

**Transform literature research, teaching and learning  
with ProQuest One Literature**
