What makes Kortext **different**

Unrivalled student experience

Users gain access to a suite of innovative study tools, including the ability to translate text into over 130 languages. Content can be accessed easily on mobile, tablet and desktop.

Access to powerful, actionable data

Through our various analytics and engagement dashboards, we offer an array of actionable data to empower informed decision-making about content usage and student activity alike.

Our largest-ever content library

Our platform serves as the gateway to more than 3 million eBooks, sourced from over 10,500 publishers. Our content library also includes videos and almost 40,000 OA/OER titles.
